

# **MEDIA EVENT**

## **Performing Arts Centre Camrose**

4501-50th Street, Camrose

**Friday, June 20, 2014 – 10:00 am**

### **PAC CAMROSE READY TO FLIP THE SWITCH!**

*Shining a spotlight on sustainability in Camrose*

Curiosity about Performing Arts Centre Camrose has been building and the community is ready to hear about this unique facility. Your audience might be interested in hearing about the ingenious sustainability features incorporated into the build to help reduce operating costs and contribute to environmental efficiency.

**We invite you to join us in the PAC Mayer Community Hall,  
Friday, June 20, 2014 at 10:00 am  
as we power up the Photovoltaic Array, (the largest  
integrated array in Canada!), to start generating power!!!**

Camrose and area residents will be interested in learning about how this facility will be operating 'Green', the significance of the building in architectural terms, and the savings projected for the operating of the facility – AND who doesn't want to be a part of an historic event.

As you will know the building has recently been awarded Four Green Globes which the facility has national and or international significance. It has already been featured in several building and architectural articles.

**This is a milestone in the construction process!  
This means we are very close to substantial completion.  
Please join us for this exclusive sneak peek preview, and  
photo opportunity.**

To confirm your attendance, please RSVP to Tanya Pattullo, Patron Services Manager  
Performing Arts Centre Camrose | 780-679-1503 | [tpattullo@camroselive.ca](mailto:tpattullo@camroselive.ca)
